

EPAA 2012 Practice Schedule

Monday: Minor and Major League

Tuesday: T-Ball & Pee-Wee (After April 9th)

Wednesday: Minor and Major League

Thursday: T-Ball & Pee-Wee (After April 9th)

Friday: Minor and Major League

Saturday: Before noon: T-Ball; Noon-3 p.m.: Pee-Wee (After April 9th)

Sunday: Open

Norris Field: No team may practice on Norris Field

Batting cage: Junior League takes priority in the batting cage Monday-Friday and Saturday after 2 p.m.

Junior League: The Northeast East Field has been designated for Junior League this season.

Junior League may not use any other field even if they are open.

This is for safety reasons! Violations of this rule will result in an immediate suspension and/or expulsion from the league.

Junior League may not have batting practice or have players hitting on any field in the Norris Field complex! Whiffle and flip drills are permitted.

Violations of this rule will result in an immediate suspension and/or expulsion from the league.

Note: Junior League must yield the Northeast East when T-Ball or Pee-Wee need it for games. Although T-Ball and Pee-Wee games are not scheduled on Northeast East or Northeast South, either league may need to use that field because of bad weather.

Junior League can also use Duffy Park and its open areas to practice. Junior League can have batting practice when using Duffy Park.

However, a Junior League team should move off a field if a Boys Club team is practicing.

We encourage all Junior teams to try to use Duffy or another location if it's available.

Note 2: Teams may still try to practice on days that aren't assigned them, but must vacate a field within 5 minutes to a team that has the field time.

T-Ball and Pee-Wee: When T-Ball and Pee-Wee start their regular season, any team practicing on those fields must! (Vacate and start gathering their equipment at 5:10 p.m., 11:10 on Saturday or Sunday)

Note: Any violations or disruptions of the practice schedule can lead to a suspension or termination of a manager or coach from a team.
